Bachelor of Arts in Physics
University of Colorado Boulder - Boulder, CO
2016 to 2020

El Paso Community College
2014 to 2016

Skills

- Coding on the Summit Supercomputer
- Excellent collaboration skills gained from one-on- one tutoring
- Experiment planning and execution
- Mathematical Modeling
- Practical physics applications
- Highly Experienced in Computational Coding
- Coding in Python
- Highly Experienced in Numpy (Python)
- Mathematica
- MATLAB
- HTML
- CSS
- JavaScript
- Octave
- Git
- Java
- Microsoft SQL Server
- GitHub
- Node.js
- React.js
- C/C++

Languages

- Spanish - Fluent
- English - Expert
